Dear Sir,

I beg to refer to the receipt of your D.O. of the 27th inst., asking me to go to the Gold Fields to meet His Excellency the Governor of Madras early on the 1st instant.

I received the letter in office at 6.10 P.M. on the 28th and had no time to arrange my engagements or to send a message to you before I had made.

I telegraphed you to this effect, but as I had received no reply by 5.30 I left by the 6 P.M. train and met His Excellency at Bowringpet the next morning.

I received your second note of the 28th instant on arriving at Oorgaum.

I may add that I was not in the least concerned about my personal difficulties, but only on account of the inconvenience to others, and I hoped Government will be able to give a definite decision on this most important question in future.

Yours sincerely,
